### **Civil Society Dialogue Network**

The Civil Society Dialogue Network (CSDN) is a mechanism for dialogue between civil society and EU policy-makers on issues related to peace and conflict. It is co-financed by the European Union (Instrument contributing to Stability and Peace). It is managed by the European Peacebuilding Liaison Office (EPLO), a civil society network, in co-operation with the European Commission (EC) and the European External Action Service (EEAS). The fourth phase of the CSDN will last from 2020 to 2023. For more information, please visit the [EPLO website](#).
